

REMARKS

In the Office Action prosecution on the merits was closed and correction was required of drawing sheet 1 and claims 1 and 5-8 to place them in condition for allowance. For this purpose, a corrected drawing sheet 1 is enclosed removing the double entry of reference numeral 18 and claims 1 and 5-8 are amended as suggested by the examiner. Accordingly, this case should now be in condition for allowance.

The comments of the examiner toward concluding prosecution of this application are appreciated.

This amendment is believed to be fully responsive to the issues raised in the Office Action and to place this case in condition for allowance. Favorable action is requested.

Respectfully submitted,

By
